California Energy Commission

CLASSIFICATION: OFFICE TECHNICIAN (T)

TENURE: Permanent

TIME BASE: Full-time

SALARY: \$2.686 - \$3,264

(Salary will be adjusted accordingly to comply with furlough program)

LOCATION: Office of Governmental Affairs

FINAL FILING DATE: FEBRUARY 4, 2010

DUTIES/RESPONSIBILITIES:

Under the general direction of the Director of the Office of Governmental Affairs, the Office Technician provides secretarial support for the Office of Governmental Affairs' staff. Responsibilities include performing the most difficult secretarial duties for the Office.

The incumbent, in the performance of his/her work, will demonstrate a high degree of independence and initiative performing administrative, as well as secretarial functions. The functions, requiring a detailed knowledge of the activities of the Office of Governmental Affairs are:

- Review and determine dispersal of incoming communication, including telephone
 calls, faxes, correspondence. Receive and screen visitors. Deal effectively and
 tactfully on the telephone as well as with visitors representing a variety of interests.
 Respond appropriately to general questions related to functions of the office and
 refer to appropriate staff when technical information is requested.
- Operate the Office's bill tracking system. Maintain both paper and electronic bill files, and route legislative analyses and analysis requests to Commission staff, Resources Agency, and the Governor's Office. Maintain an extensive database related to bills being tracked.
- Schedule meetings, coordinate the Assistant Director's schedule, and maintain the Assistant Director's calendar.
- Perform administrative functions such as maintain confidential and administrative information files, time-keeping records, and supplies, manage contracts, make travel arrangements, prepare travel expense claims, and prepare correspondence.
- Disburse legislative information such as priority bill status and upcoming legislative hearings. Keep the Office staff informed of changes in the status of legislation as well as upcoming hearings. Compile and format information from the automated bill
